

Environmental Policy

In carrying out our functions, Hastie Insulation (Ireland) Ltd. acknowledges that our activities impact upon the environment both through routine operations and the actions of our staff.

We recognise that we have a responsibility to demonstrate sound environmental awareness, management and sustainability through the implementation of best practice where possible.

This environmental policy statement has been developed to cover the office-based operations of Hastie Insulation (Ireland) Ltd. and that of its' company on various sites across the country.

Hastie Insulation (Ireland) Ltd. accepts a responsibility for, and a commitment to, protection of the environment at all levels within the organisation. We will comply fully with environmental legislation and aim to reduce our environmental impacts by:

- Minimising waste by reduced consumption and operation of effective and environmentally sound waste management and recycling procedures;
- Reducing energy use through effective education and awareness and the installation of energy efficient technology where appropriate;
- Implementing a purchasing policy which considers the environmental impacts of the products and services purchased by Hastie Insulation (Ireland) Ltd., including where possible and fit for purpose, the purchase of recycled and recyclable materials and those with minimum packaging;
- Providing Hastie Insulation (Ireland) Ltd. staff with the necessary awareness, education, training and resources to implement this policy;
- Developing environmental management action plans and regularly assessing whether the objectives and targets are being met.

This Environmental Policy Statement will be made available to all Hastie Insulation (Ireland) Ltd. employees through the company network, along with the posting of the Policy on the various sites throughout the country, and employees will be encouraged to work closely with each other, with employees from other Agencies, Contractors, Unions, clients, tenants, suppliers and other interested parties to continually refine our work practices to reach best practice standards.

Progress in implementing this policy will be regularly reviewed and reported to Hastie Insulation (Ireland) Ltd. senior Management by our Health, Safety and Environmental Committee.
